### Note from Jenn

Well it's been a very busy two months and I really enjoy the Shoppe and all of our new friends. My kids go back to school in three weeks so a few more weeks of boating, shopping and keeping them entertained! I'm starting to get anxious for fall so that I can start on one of my many projects, including quilting. Jenn

### Note from Joyce

I've been very busy working at Silver Dollar City, so many quests during the summer months that leaves little time for projects and spending time at the shop. Winter is the best time for me. I hope to get more quilting done and spend more time at the shop. Joyce

### Note from Judy

It's been a very busy two months and been very enjoyable. I've been making some Come Quilt with me Babies and have started some autumn and Halloween projects. Pumpkins, Witches, Black Cats and Scarecrows. I'll have new things in the Shoppe weekly. Autumn is my favorite time of year. Love it!! Haven't had any time for quilting, maybe sometime around the first of the year. Come in and see my new FOLK-ART. Judy

### Note from Ginny

I want to say thank you to all our friends and customers who have made the first two months of business GREAT. You all come back.... Ginny

### Time Saving Tip

Don't just fold up leftover fabric. If there's just a little fabric left, cut it into 1-1/2" wide strips and save them up. Before you know it, you have enough strips for a fun Log Cabin or Rail Fence quilt and the strips are already cut.
